- A. **WHEREAS** the Plaintiffs have commenced class proceedings in British Columbia, Quebec and elsewhere in Canada on behalf of a national class against the Defendants, in which they seek damages in relation to certain devices manufactured and sold by one or more of the Defendants as set out in the attached Schedule “B” (the “**Products**”).
- B. **WHEREAS** the Plaintiffs and the Defendants have engaged in extensive arms-length settlement negotiations, including five days of mediation with the Honourable Thomas McEwen between June 13, 2024 to June 15, 2024, and between September 25, 2024 and September 26, 2024;
- C. **WHEREAS** the Plaintiffs and the Defendants have agreed to settle all claims by the putative class for Economic Losses as defined herein, without prejudice to the Defendants’ position with respect to the Non-Settled Claims;
- D. **WHEREAS** this Partial Settlement Agreement is wholly without prejudice to any Non-Settled Claims, including any future proposed certification or authorization for class treatment thereof;
- E. **WHEREAS** the Defendants have denied and continue to deny each and every claim and allegation of wrongdoing made by the Plaintiffs in the Proceedings and all claims and allegations of wrongdoing or liability against them arising out of any of the conduct, statements, acts, or omissions alleged, or that could have been alleged in the Proceedings, or otherwise;
- F. **WHEREAS** the Plaintiffs, Class Counsel and the Defendants agree that nothing in this Partial Settlement Agreement nor any statement made in the negotiation thereof may be later relied upon by the Plaintiffs regarding the appropriateness of certification or authorization of the Non-Settled Claims, and further agree that the rights of the Defendants to oppose certification or authorization of the Non-Settled Claims in any of the Proceedings is expressly preserved;
- G. **WHEREAS** the Plaintiffs, Class Counsel and the Defendants agree that neither this Partial Settlement Agreement nor any statement made in the negotiation thereof shall be deemed or construed to be an admission by or evidence against the Releasees or evidence of the truth of any of the Plaintiffs’ allegations against the Releasees, which allegations are expressly denied by the Defendants;
- H. **WHEREAS** the Plaintiffs and Class Counsel have concluded, after due investigation and after carefully considering the relevant circumstances, including, without limitation, the claims asserted in the Proceedings, the legal and factual defences thereto, and the applicable law, that: (1) it is in the best interests of the Settlement Class to enter into this Partial Settlement Agreement in order to avoid the uncertainties of litigation and to ensure that the benefits reflected herein, including the amount to be paid by the Defendants under this Partial Settlement Agreement, are obtained for the Settlement Class; and (2) the settlement set forth in this Partial Settlement Agreement is fair, reasonable, and in the best interests of the classes they seek to represent;

- I. **WHEREAS** the Defendants are entering into this Partial Settlement Agreement in order to achieve a final and nation-wide resolution of all Economic Loss Claims asserted or which could have been asserted against the Defendants by the Plaintiff and the Settlement Class in the Proceedings, and to avoid further expense, inconvenience and the distraction of burdensome and protracted litigation;
- J. **WHEREAS** as a result of these settlement discussions and negotiations, the Defendants and the Plaintiffs have entered into this Partial Settlement Agreement, which embodies all the terms and conditions of the settlement between the Defendants and the Plaintiffs of all Economic Loss Claims, both individually and on behalf of the classes the Plaintiffs seek to represent, subject to approval of the Courts; and
- K. **WHEREAS** the Parties consent to partial certification and/or authorization of the Proceedings as class proceedings and the Proposed Settlement Class and the proposed Common Issue for the sole purpose of settling the Economic Loss Claims subject to approval by the Courts as provided for in this Partial Settlement Agreement, on the express understanding that such certification or authorization shall not derogate from the respective rights of the Parties in the event that this Partial Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason, nor shall it derogate from the respective rights of the Parties in respect of those aspects of the Proceedings that are not being settled;

SECTION 2 – SETTLEMENT APPROVAL

2.1 Condition Precedent

- (1) This Partial Settlement Agreement shall be null and void and of no force or effect, subject to Section 5.4, unless the BC Court and the QC Court approve this Partial Settlement Agreement.
- (2) If this Partial Settlement Agreement becomes null and void, it shall have no further force or effect except as provided for in Section 5.4, and the Parties shall be restored to their respective positions in the Proceedings immediately prior to reaching this settlement.

2.2 Best Efforts

- (1) Class Counsel shall use their reasonable best efforts to implement this settlement and to promptly secure the partial dismissal with prejudice of the BC Action and the Quebec Action, and of the other Proceedings to the extent required, as against the Defendants with respect to the Economic Loss Claims.

2.3 Motions Seeking Approval of Notice and Certification or Authorization

- (1) The Plaintiffs shall file motions before the Courts, as soon as practicable after the Date of Execution hereof, for orders approving the notices described in Section 9.1(1) and for the purpose of partially certifying or authorizing the Proceedings for settlement purposes with respect to the Economic Loss Claims.
- (2) The BC order approving the notices described in Section 9.1(1) and certifying or authorizing the Proceedings for settlement purposes shall be substantially in the form attached as Schedule “C”. The Quebec order approving the notices described in Section 9.1(1) and authorizing the Quebec Action for settlement purposes shall be substantially in the form attached as Schedule “D”.

2.4 Motions Seeking Approval of the Settlement

- (1) The Plaintiffs shall file motions before the Courts for orders partially certifying or authorizing the Settlement Class and approving this Partial Settlement Agreement in respect of the Economic Loss Claims as soon as practicable after the orders referred to in Section 2.3(1) have been granted.
- (2) The BC order seeking approval of this Partial Settlement Agreement shall be substantially in the form attached as Schedule “E”. The Quebec order seeking approval of this Partial Settlement Agreement shall be substantially in the form attached as Schedule “F”.
- (3) The Plaintiffs can elect to request that the Courts hold joint hearings seeking partial certification or authorization and approval of this Partial Settlement Agreement in respect of the Economic Loss Claims pursuant to the Canadian Bar Association’s Canadian Judicial Protocol for the Management of Multijurisdictional Class Actions. The Defendants will not oppose any such request.
- (4) This Partial Settlement Agreement shall only become final on the Effective Date.

2.5 Pre-Motion Confidentiality

- (1) Until the first of the motions required by Section 2.3(1) is brought, the Parties shall keep all of the terms of the Partial Settlement Agreement confidential and shall not disclose them without the prior consent of counsel for the Defendants and Class Counsel, as the case may be, except as required for the purposes of financial reporting, the preparation of financial records (including tax returns and financial statements), pursuant to regulatory requirements as necessary to give effect to its terms, or as otherwise required by law.

SECTION 3 – SETTLEMENT BENEFITS

3.1 Payment of Settlement Amount

- (1) Contingent on the approval of this Partial Settlement Agreement by the BC Court and the QC Court, the Defendants have agreed to pay the Settlement Amount, without any admission of liability, in accordance with this Partial Settlement Agreement. For greater certainty, the Defendants’ agreement to pay the Settlement Amount without any admission of liability is being done solely to achieve a final and nationwide resolution of all Economic Loss Claims asserted or which could have been asserted in the Proceedings, and to avoid further expense, inconvenience and the distraction of

burdensome and protracted litigation, and does not constitute an admission by the Defendants that the claimed Economic Losses of the Settlement Class are in fact recoverable in law. As a result of this Partial Settlement, no inference or precedential value should be drawn regarding the ability to recover such Economic Losses as matter of Canadian law, and which in fact the Defendants expressly deny.

(2) Within forty-five (45) days of the orders by the Courts approving the notices described in Section 9.1(1) and certifying or authorizing the Proceedings for settlement purposes, the Defendants shall pay the balance of the Settlement Amount into the Trust Account.

(3) Payment of the Settlement Amount shall be made by wire transfer. At least thirty (30) days prior to the Settlement Amount becoming due, Class Counsel will provide, in writing, the following information necessary to complete the wire transfers: name of bank, address of bank, ABA number, SWIFT number, name of beneficiary, beneficiary's bank account number, beneficiary's address, and bank contact details.

(4) The Settlement Amount and other consideration to be provided in accordance with the terms of this Partial Settlement Agreement shall be provided in full satisfaction of the Released Claims against the Releasees. The Settlement Amount shall be all-inclusive of all amounts, including but not limited to, all Administration Expenses (including the costs of notice and translation), Class Counsel Fees, any amount payable to the Fonds, interest, applicable taxes, Class Counsel Disbursements, and any other charges. The Releasees shall have no obligation to pay any amount in addition to the Settlement Amount, for any reason, pursuant to or in furtherance of this Partial Settlement Agreement or the Proceedings, including, but not limited to any fees, disbursements or taxes of any of the lawyers, experts, advisors, agents, or representatives retained by Class Counsel, the Plaintiffs or the Settlement Class Members, any amounts to which the *Fonds* in Quebec may be entitled, or any lien of any Person on any payment to any Settlement Class Members from the Settlement Amount.

(5) The Administrator shall maintain the Trust Account as provided for in this Partial Settlement Agreement.

(6) The Administrator shall not pay out all or any part of the monies in the Trust Account, except in accordance with this Partial Settlement Agreement, or in accordance with an order of the Courts obtained after notice to the Parties.

(7) Upon payment of the Settlement Amount into the Trust Account and after the Effective Date, Class Counsel intend to distribute the Settlement Amount in accordance with the Distribution Protocol attached as Schedule “G”.

(8) The Defendants have had no role in the determination of Settlement Class Members’ eligibility to participate in the Partial Settlement or the allocation of benefits available to Settlement Class Members. The Defendants shall have no obligation (current or ongoing) to the Proposed Settlement Class in respect of the Distribution Protocol, nor does this Partial Settlement Agreement create any legal obligation or relationship between the Defendants and the Proposed Settlement Class in respect of any amounts paid or not paid to the Settlement Class Members pursuant to the Distribution Protocol. The Defendants have no responsibility for and no liability whatsoever with respect to the administration of the Partial Settlement Agreement.

3.2 Taxes and Interest

(1) Except as hereinafter provided, all interest earned on the Settlement Amount in the Trust Account shall accrue to the benefit of the Settlement Class and shall become and remain part of the Trust Account.

(2) Subject to Section 3.2(3), all taxes payable on any interest which accrues on the Settlement Amount in the Trust Account or otherwise in relation to the Settlement Amount shall be the responsibility of the Settlement Class. The Administrator shall be solely responsible to fulfill all tax reporting and payment requirements arising from the Settlement Amount in the Trust Account, including any obligation to report taxable income and make tax payments. All taxes (including interest and penalties) due with respect to the income earned by the Settlement Amount shall be paid from the Trust Account.

(3) The Defendants shall have no responsibility to make any filings related to the Trust Account and will have no responsibility to pay tax on any income earned on the Settlement Amount or pay any taxes on the monies in the Trust Account, unless this Partial Settlement Agreement is terminated, in which case the interest earned on the Settlement Amount in the Trust Account or otherwise shall be paid to the Defendants who, in such case, shall be responsible for the payment of all taxes on such interest not previously paid by Class Counsel. The Defendants shall not have any responsibility, financial obligations or liability whatsoever with respect to the investment, distribution or

administration of monies in the Trust Account including, but not limited to, Administration Expenses and Class Counsel Fees.

3.3 Honorarium for BC Plaintiff

- (1) Class Counsel may bring an application to the BC Court for approval of Honorarium for the BC Plaintiff in the BC Proceeding contemporaneous with seeking approval of this Partial Settlement Agreement or at such other time thereafter as they determine in their discretion.
- (2) Any Honorarium to the BC Plaintiff will be awarded at the discretion of the BC Court.
- (3) The Defendants will not make submissions in relation to Honorarium for the BC Plaintiff.
- (4) The approval of Honorarium to the BC Plaintiff is not a material term of this Partial Settlement Agreement and this Partial Settlement Agreement shall not be contingent upon court approval of any Honorarium for the BC Plaintiff.
- (5) Any Honorarium to the BC Plaintiff may only be paid out of the Settlement Amount after the Effective Date.
- (6) The Defendants shall not be liable for any Honorarium to the BC Plaintiff or Class Members, if awarded by the BC Court.

SECTION 4 – OPTING-OUT AND OBJECTING

4.1 Objections

- (1) Settlement Class Members shall have the right to object to the Partial Settlement Agreement. They may do so by appearing and stating if they have any reason why the terms of this Partial Settlement Agreement should not be granted approval. Objections, including all briefs or other papers or evidence in support, should be in writing and delivered, served, filed and received by the Claims Administrator by the Objection Deadline.
- (2) Any objection regarding or related to the Partial Settlement Agreement should contain: (i) a caption or title that identifies it as objection to the Partial Settlement Agreement; (ii) information sufficient to identify and contact information for the objecting Class Member (or his or her lawyer, if any), such as name, address, email address and telephone number; (iii) a clear statement of the nature and reasons for the Class Member's objection, and documents sufficient to establish the basis for his

or her standing as a Class Member; and (iv) a declaration under the penalty of perjury that the foregoing information provided by the objector is true and correct.

(3) Any objector who wishes to appear before the Court(s) at the settlement approval hearing(s), whether in person or through a lawyer, must send a notice of intention to appear in writing, which should be postmarked, served, filed and be received by the Administrator at least ten (10) days prior to the said settlement approval hearing. Such notice of intention to appear should include the name, address, and telephone number of the Class Member and any lawyer who will appear on his or her behalf, if applicable.

(4) The Administrator shall immediately provide Class Counsel and the Defendants with a copy of the objection and any accompanying documentation.

4.2 Opt Outs

(1) Persons seeking to opt-out of the certification of the Settlement Class, who are not Quebec Settlement Class Members must do so by sending a written election to opt-out, signed by the person or the person's designee, by pre-paid mail, courier, fax or email to the Administrator at an address to be identified in the Notice described in Section 9.1(1).

(2) An election to opt-out will only be valid if it is postmarked on or before the Opt-Out Deadline and received at the designated address in the Notice described in Section 9.1(1). When the postmark is not visible or legible, the election to opt-out shall be deemed to have been postmarked four (4) business days prior to the date that it is received by the Administrator.

(3) Notwithstanding Sections 4.2(1) and 4.2(2), Persons who are Settlement Class Members in Quebec who wish to opt-out may do so by sending a written election to opt-out to the Administrator to be delivered to the clerk of the Quebec Court on or before the Opt-Out Deadline.

(4) Any potential member of the Settlement Class who validly opts out of the Settlement Class shall not be able to participate in the Proceedings and no further right to opt-out of the Settlement Class will be provided.

(5) The written election to opt-out must contain the following information in order to be valid.

(a) the Person's full name, current address and telephone number;

- (b) if the Person is seeking to opt-out on behalf of a Settlement Class Member that is an estate or a person under a legal disability (including an infant and/or mentally incompetent Person), the basis of their authority for executing the written election on behalf of that Settlement Class Member;
 - (c) if the Person seeking to opt-out is a corporation, the name of the corporation and the position of the Person submitting the request to opt-out on behalf of the corporation;
 - (d) a statement to the effect that the Person wishes to be excluded from the Settlement Class; and
 - (e) for a Person seeking to opt-out who is not a Quebec Settlement Class Member, the reasons for opting out.
- (6) Class Members in Quebec who have commenced proceedings or commence proceedings and fail to discontinue such proceedings by the Opt-Out Deadline shall be deemed to have opted out.
- (7) Within thirty (30) days of the Opt-Out Deadline, Class Counsel shall provide to the Defendants a report containing the names of each Person who has validly opted out of the Proceedings, the reasons for the opt-out, if known, a summary of the information delivered by such Person pursuant to this Section 4.2(5) and copies of all Elections or opt-out forms received by the Administrator or Class Counsel.
- (8) With respect to any potential member of the Settlement Class who validly opted-out from the Proceedings, the Defendants reserve all of their legal rights and defences.
- (9) The Plaintiffs through their respective Class Counsel expressly waive their right to opt-out of the Proceedings, respectively.
- (10) If more than 18 members of the Settlement Class exercise their right to opt-out, whose opt-out is deemed to be valid by the Courts, then the Defendants may terminate this Partial Settlement Agreement in their sole discretion.

SECTION 5 – TERMINATION OF SETTLEMENT AGREEMENT

5.1 Right of Termination

(1) The Plaintiffs and the Defendants shall, in their respective discretions, have the right to terminate the settlement set forth in this Partial Settlement Agreement by providing written notice of their election to do so (“**Termination Notice**”) to all other Parties hereto within thirty (30) days of the date on which:

- (a) the Courts decline to certify the Settlement Class for the purposes of the Partial Settlement Agreement;

- (e) any court issues a settlement approval order that is not materially in the form attached to this Partial Settlement Agreement as Schedule “E” and Schedule “F”; or
- (f) any orders approving this Partial Settlement Agreement made by the BC Court or the Quebec Court do not become Final Orders.

(2) In addition to the termination rights listed in subparagraph (1), the Defendants have the right to terminate the settlement set forth in this Partial Settlement Agreement at their sole discretion by providing written notice to Class Counsel if:

- (a) more than 18 members of the Settlement Class exercise their right to opt-out, whose opt-out is deemed to be valid by the Courts (as set out in Sections 4.2(10)); or
- (b) any Court fails to approve the releases in Section 6 (as set out in Section 6.3).

(3) Any order, ruling or determination made by any Court with respect to:

- (a) Class Counsel Fees or Class Counsel Disbursements; or

- (b) the Distribution Protocol,

shall not be deemed to be a material modification of all, or a part, of this Partial Settlement Agreement and shall not provide any basis for the termination of this Partial Settlement Agreement.

5.2 If Settlement Agreement is Terminated

(1) If this Partial Settlement Agreement is terminated in accordance with the terms of Section 5.1 or otherwise fails to take effect for any reason:

- (a) this Partial Settlement Agreement shall become null and void and shall have no further force or effect except as provided for in Section 5.4 and shall not be binding on the Parties, and shall not be used as evidence or otherwise in any litigation;
- (b) the Parties shall be restored to their respective positions in the Proceedings immediately prior to reaching the settlement;
- (c) no motion to certify or authorize any of the Proceedings as a class proceeding on the basis of this Partial Settlement Agreement, or to approve this Partial Settlement Agreement, which has not been decided, shall proceed;
- (d) any order certifying or authorizing a Proceeding as a class proceeding on the basis of the Partial Settlement Agreement or approving this Partial Settlement Agreement shall be set aside and declared null and void and of no force or effect, and the Parties shall be estopped from asserting otherwise;
- (e) any prior certification or authorization of a Proceeding as a class proceeding on the basis of this Partial Settlement Agreement, including the definitions of the Settlement Class and the Common Issue pursuant to this Partial Settlement Agreement, shall be without prejudice to any position that any of the Parties or Releasees may later take on any issue in the Proceedings or any other litigation; and
- (f) documents or communications related to the settlement (including this Partial Settlement Agreement) shall have no force or effect and shall not be admissible in evidence for any purpose in the Proceedings or in any other proceeding.

5.3 Return of Settlement Amount Following Termination

(1) If the Partial Settlement Agreement is terminated or otherwise fails to take effect for any reason, the Administrator, within thirty (30) business days of the written notice advising that the Partial Settlement Agreement has been terminated in accordance with its terms, shall return the Settlement Amount, plus all accrued interest thereon and less any reasonable Administration Expenses incurred prior to termination to the Defendants.

5.4 Survival Provisions After Termination

(1) If this Partial Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason, the provisions of Sections 3.2(3), 5.1, 5.2, 5.2(1)(e), 5.4, 7.1, 7.2, 8.1(3), 8.1(4), 9.1(3), 10.2(3), and the definitions and Schedules applicable thereto shall survive the termination and continue in full force and effect. The definitions and Schedules shall survive only for the limited purpose of the interpretation of Sections 3.2(3), 5.1, 5.2, 5.2(1)(e), 5.4, 7.1, 7.2, 8.1(3), 8.1(4), and 9.1(3), 10.2(3) within the meaning of this Partial Settlement Agreement, but for no other purposes. All other provisions of this Partial Settlement Agreement and all other obligations pursuant to this Partial Settlement Agreement shall cease immediately.

5.5 No Further Litigation

Class Counsel, and anyone currently or hereafter employed by, associated with, or in partnership with Class Counsel, may not directly or indirectly participate or be involved in or in any way assist with respect to any claim made or action commenced by any Person which relates to or arises from the Released Claims. Notwithstanding this section, Class Counsel is expressly permitted, to the extent such right is consistent with applicable rules of professional conduct, to continue to advance the Non-Settled Claims and claims on behalf of governments or any subdivision or agency thereof that have provided any funding for the acquisition and/or purchase of the Products, including but not limited to Ontario Assistive Devices Program, Ontario Ventilator Equipment Pool, Kingston Health Sciences Centre, Manitoba and Saskatchewan.

SECTION 6 – RELEASES AND DISMISSALS

6.1 Release of Releasees

(1) The obligations incurred pursuant to this Partial Settlement Agreement shall, with respect to the claims for Economic Losses, be in full and final disposition of: (i) the Proceedings against the

Defendants in respect of the Economic Loss Claims; and (ii) any and all Released Claims as against all Released Parties.

(2) Upon the Effective Date, and in consideration of payment of the Settlement Amount and for other valuable consideration:

- (a) the application for authorization or certification (as the case may be) shall be amended to remove all references to any of the Released Claims and/or the Proceedings in respect of the Released Claims shall be dismissed with prejudice and without costs as against each of the Defendants; and
- (b) each of the Releasers:
 - (i) shall be deemed to have, and by operation of the Final Orders, shall have, fully, finally, and forever waived, released, relinquished and discharged all Released Claims that the Releasers, or any of them, whether directly, indirectly, derivatively, or in any other capacity, ever had, now have or hereafter can, shall or may have and shall not now or hereafter institute, maintain, or assert on their own behalf or on behalf of the Settlement Class or on behalf of any other person or entity any Released Claims against the Released Parties, regardless of whether such Releaser executes and delivers a proof of claim and release form;
 - (ii) who did not validly opt-out will be deemed to have completely and unconditionally have released and forever discharged the Released Parties from any and all Released Claims including all claims, actions, causes of action, suits, debts, duties, accounts, bonds, covenants, contracts and demands whatsoever, whether known or unknown, that were asserted or could have been asserted that are the subject of this Partial Settlement Agreement or are in relation to the alleged Economic Losses;
 - (iii) will forever be barred and enjoined from continuing, commencing, instituting, maintaining, asserting or prosecuting, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other person, any action, suit, cause of action, claim, litigation, investigation or other proceeding in any court of law or equity, arbitration, tribunal, proceeding,

governmental forum, administrative forum, or any other forum directly, representatively or derivatively any Released Claim against any of the Released Parties and/or any other person or third-party who may claim contribution or indemnity or claim over other relief from any Released Party, in respect of any Released Claims. For greater certainty and without limiting the foregoing, the Releasors shall not assert or pursue a Released Claim against any Released Party under any laws of any foreign jurisdiction; and

- (iv) each member of the Settlement Class shall be deemed to irrevocably consent to the dismissal, without costs and with prejudice, of any action or proceeding relating to the Released Claims against the Released Parties and all such actions or proceedings shall be dismissed without costs and with prejudice.

6.2 No Further Claims

(1) Upon the Effective Date, the Releasors shall not then or thereafter institute, continue, maintain or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other Person, any action, suit, cause of action, claim or demand against any Releasee, or any other Person including healthcare professionals and/or hospitals, who may claim contribution or indemnity or other claims over relief from any Releasee, in respect of any Released Claim, except if the Settlement Class is not certified or authorized. For greater certainty and without limiting the generality of the foregoing, the Releasors shall not assert or pursue a Released Claim against any Releasee or against any Person who may claim contribution or indemnity or other claims over relief from any Releasee in respect of any Released Claim, under the laws of any foreign jurisdiction.

6.3 Release a Material Term

(1) The releases contemplated in this Section shall be considered a material term of the Partial Settlement Agreement and the failure of any Court to approve the releases contemplated herein shall give rise to a right of termination pursuant to Section 5.1 of the Partial Settlement Agreement.

SECTION 7 – EFFECT OF SETTLEMENT

7.1 No Admission of Liability

(1) The Plaintiffs and the Releasees expressly reserve all of their rights if the Partial Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason. Further, whether or not the Partial Settlement Agreement is finally approved, is terminated, or otherwise fails to take effect for any reason, this Partial Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions and proceedings associated with this Partial Settlement Agreement, and any action taken to carry out this Partial Settlement Agreement, shall not be deemed, construed, or interpreted to be an admission of any violation of any statute or law, or of any wrongdoing or liability by the Releasees or any one of them, or of the truth of any of the claims or allegations contained in the Proceedings, including the Non-Settled Claims, or any other pleading filed by the Plaintiffs.

7.2 Agreement Not Evidence

(1) The Parties agree that, whether or not it is finally approved, is terminated, or otherwise fails to take effect for any reason, this Partial Settlement Agreement and anything contained herein, and any and all negotiations, documents, discussions and proceedings associated with this Partial Settlement Agreement, and any action taken to carry out this Partial Settlement Agreement, shall not be referred to, offered as evidence or received in evidence in any pending or future civil, criminal or administrative action or proceeding, except in a proceeding to approve and/or enforce this Partial Settlement Agreement, to defend against the assertion of Released Claims, as necessary in any insurance-related proceeding, or as otherwise required by law. For greater certainty, nothing in this Partial Settlement Agreement is an admission regarding the Defendants' views on the merits or class suitability of the Non-Settled Claims.

SECTION 8 – CERTIFICATION AND AUTHORIZATION

8.1 For Settlement Only

(1) The Parties consent to partial certification and/or authorization of the Settlement Class solely for the purposes of settling the Economic Loss Claims and the approval of this Partial Settlement Agreement by the Courts.

(2) The Plaintiffs agree that, in the motions for certification or authorization of the Settlement Class for settlement purposes and for the approval of this Partial Settlement Agreement, the only common issue that they will seek to define is the Common Issue and the only class that they will assert is the Settlement Class.

(3) The Defendants retain all of their objections, arguments, and defences with respect to partial class certification or authorization of the Settlement Class, and reserve all rights to contest class certification or authorization with respect to the claims for Economic Losses, if the settlement set forth in this Partial Settlement Agreement does not receive the Court's approval, if the Courts' approval is reverse or vacated on appeal, if this Partial Settlement Agreement is terminated as provided herein, or if the settlement set forth in this Partial Settlement Agreement otherwise fails to close. The Parties acknowledge that there has been no stipulation to any classes or certification or authorization of any classes for any purpose other than effectuating the settlement, and that if the settlement set forth in this Partial Settlement Agreement does not receive the Courts' final approval, if the Courts' approval is reversed or vacated on appeal, if this Partial Settlement Agreement is terminated as provided herein, or if the settlement set forth in this Partial Settlement Agreement fails to close, this agreement as to certification or authorization of the Settlement Class becomes null and void *ab initio*, and this Partial Settlement Agreement or any other settlement-related statement may not be cited regarding certification or authorization of the Partial Settlement Class, or in support of an argument for certifying or authorizing a class for any purpose related to the Proceedings.

(4) The Plaintiffs retain all of their rights and arguments, and the Defendants retain all of their objections, arguments, and defences with respect to certification or authorization of any Non-Settled Claims.

SECTION 9 – NOTICE TO SETTLEMENT CLASS

9.1 Notices Required

(1) The Proposed Settlement Class will be given pre-approval notice of this Settlement Agreement and (i) the certification of the BC Proceedings and the authorization of the Québec Proceedings for settlement purposes, (ii) the hearing(s) at which the BC Court and Quebec Court will be asked to approve the Settlement Agreement, and if brought contemporaneously, (iii) the requests to approve Class Counsel Fees.

(2) If this Partial Settlement Agreement is approved by all Courts, the Proposed Settlement Class shall be given notice of the certification and settlement approval hearing by the Settlement Notice Date and notice of the settlement approval if and when the settlement has been approved by the Courts.

(3) If this Partial Settlement Agreement is terminated, or otherwise fails to take effect, the Proposed Settlement Class shall be given notice of such event.

9.2 Form and Distribution of Notices

(1) The Notices described in Section 9.1 will be in the form attached as Schedule “H” (short form and long form) or as otherwise agreed by Class Counsel and the Defendants and approved by the BC Court and Quebec Court, or in a form ordered by the BC Court or Quebec Court.

(2) The Notice described in Section 9.1(2) will be in the form agreed by Class Counsel and the Defendants and approved by the BC Court and Quebec Court, or in a form ordered by the BC Court or Quebec Court.

(3) The Notices shall be disseminated in accordance with the proposed Notice Plan attached hereto as Schedule “J”, subject to approval as to form and content by the Courts.

(4) All reasonable costs associated with the publication of the Notices shall be paid from the Settlement Amount. Class Counsel will pay and be responsible for the publication of Notices and be reimbursed in full from the Settlement Amount after the payment of the Settlement Amount.

(5) If any court requires that additional notice(s) be published, the Parties agree that the costs shall be paid from the Settlement Amount and the terms of payment shall follow the same procedure as for the Notice of the settlement approval hearing.

(6) The Defendants shall not have any responsibility for the costs and/or publication or dissemination of the Notices or any additional notice(s) required by any court.

SECTION 10 – ADMINISTRATION AND IMPLEMENTATION

10.1 Mechanics of Administration

(1) Except to the extent provided for in this Partial Settlement Agreement, the mechanics of the implementation and administration of this Partial Settlement Agreement shall be determined by the Courts on motions brought by Class Counsel.

(2) Except as provided herein, Administration Expenses may only be paid out of the Trust Account after the Effective Date.

10.2 Information and Assistance

(1) Within 30 days after the orders by the Courts approving the notices described in Section 9.1(1) and certifying or authorizing the Proceedings for settlement purposes, the Defendants shall provide the Administrator with the data in their possession concerning contact information of every registrant and the serial numbers of the Products that they registered.

(2) The Administrator may use the information provided under Section 10.2(1):

(a) to facilitate the claims administration process with respect to this Partial Settlement Agreement and any other settlement agreement(s) achieved or court awards issued in the Proceedings; and

(b) as may be further agreed to by the parties and/or authorized by the Courts.

(3) All information provided by the Defendants pursuant to Section 10.2(1) shall be held in confidence by the Administrator. If this Partial Settlement Agreement is terminated, all information provided by the Defendants pursuant to Section 10.2(1) shall be returned to the Defendants and no record of the information provided shall be retained by the Administrator and/or Class Counsel in any form whatsoever.

SECTION 11 – CLASS COUNSEL FEES

(1) The Defendants shall not be liable for any fees, disbursements or taxes of Class Counsel, the Plaintiffs' or Settlement Class Members' respective lawyers, experts, advisors, agents, or representatives.

(2) The Administrator shall pay the costs of the Notices required by Section 9.1 and any costs of translation required by Section 12.11 from the Trust Account, as they become due. The Defendants shall not have any responsibility for the costs of the notices or translation.

(3) Class Counsel may bring an application to the BC Court and to the Quebec Court for approval of Class Counsel Fees contemporaneous with seeking approval of this Partial Settlement Agreement or at such other time thereafter as they determine in their discretion, or as directed by the Courts.

- (4) Class Counsel Fees will be awarded at the discretion of the BC Court.
- (5) The Defendants will not make submissions in relation to Class Counsel Fees.
- (6) The approval of Class Counsel Fees is not a material term of this Settlement Agreement and this Settlement Agreement shall not be contingent upon court approval of Class Counsel Fees. A separate order will be taken out dealing with Class Counsel Fees, and Class Counsel Disbursements.
- (7) Class Counsel Fees may only be paid out of the Settlement Amount after the Effective Date. No Class Counsel Fees shall be paid from the Trust Account prior to the Effective Date.
- (8) The Defendants shall not be liable for any fees, disbursements or taxes of any of the lawyers, experts, advisors, agents, or representatives retained by Class Counsel, the Plaintiffs or Settlement Class Members, any amounts to which the *Fonds* in Quebec may be entitled, or any lien of any Person on any payment to any Settlement Class Members from the Settlement Amount.

SECTION 12 – MISCELLANEOUS

12.1 Motions for Directions

- (1) Class Counsel or the Defendants may apply to the BC Court and/or such other courts as may be required by the Courts for directions in respect of the interpretation, implementation and administration of this Partial Settlement Agreement. Unless the Courts order otherwise, motions for directions that do not relate specifically to the matters affecting the Quebec Action shall be determined by the BC Court.

12.2 Headings, etc.

- (1) In this Partial Settlement Agreement:
 - (a) the division of the Partial Settlement Agreement into sections and the insertion of headings are for convenience of reference only and shall not affect the construction or interpretation of this Partial Settlement Agreement; and

 - (b) only in the case where the time for doing an act expires on a holiday as “holiday” is defined in the *Supreme Court Civil Rules*, BC Reg 168/2009, the act may be done on the next day that is not a holiday.

12.4 Ongoing Jurisdiction

- (1) Subject to the Defendants’ rights to contest personal jurisdiction if this Partial Settlement Agreement is terminated or the Effective Date does not occur, each of the courts shall retain exclusive jurisdiction over the Proceeding commenced in its jurisdiction.
- (2) No Party shall ask a court to make any order or give any direction in respect of any matter of shared jurisdiction unless that order or direction is conditional upon a complementary order or direction being made or given by the other court with which it shares jurisdiction over that matter.
- (3) Notwithstanding Sections 12.4(1) and 12.4(2), the BC Court shall exercise jurisdiction with respect to implementation, administration, interpretation and enforcement of the terms of this Partial Settlement Agreement and the Plaintiffs, Settlement Class Members and Defendants attorn to the jurisdiction of the BC Court for such purposes only and for no other purpose. Issues related to the administration of this Partial Settlement Agreement, the Trust Account, and other matters not specifically related to the Quebec Action shall be determined by the BC Court.

(1) This Partial Settlement Agreement has been the subject of negotiations and discussions among the undersigned, each of which has been represented and advised by competent counsel, so that any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Partial Settlement Agreement shall have no force and effect. The Parties further agree that the language contained in or not contained in previous drafts of this Partial Settlement Agreement, or any agreement in principle, shall have no bearing upon the proper interpretation of this Partial Settlement Agreement.

12.11 Language

A proposed partial settlement (“**Partial Settlement**”) of the Economic Loss Claims in the Canada-wide class actions called *Morel v. Koninklijke Philips N.V. et al* Action No. S216008 and *Roy v. Respironics Inc. et al.*, No. 500-06-001154-216 (together, the “**National Class Action**”) has been reached.

Persons to be included in the National Class Action include any individual, corporation, hospital, or partnership in Canada who purchased and/or used one of the Products, including family members and estates who purchased a Product on behalf of a class member, and who claim to have incurred an Economic Loss (the “**Settlement Class**”).

This is called a Partial Settlement because it only relates to Economic Loss Claims. It **does not** cover any personal injury claims alleged to have been suffered by Settlement Class Members as a result of using the Products.

The Partial Settlement is a compromise and is not an admission of liability or wrongdoing or fault by any of the Defendants. The Partial Settlement does not become final unless and until it is approved by the BC and Quebec Courts.

The Defendants have agreed to pay \$20,000,000 CDN to achieve a final and nationwide resolution of all Economic Loss Claims that could have been raised in the National Class Action, including for notice, legal, and administration costs, in exchange for the release of all Economic Loss Claims in the National Class Action.

The representative plaintiff has entered into a contingency fee agreement with Rice Harbut Elliott LLP, Sotos LLP and Thomson Rogers Lawyers (“**Class Counsel**”) providing for a maximum fee of 30% of compensatory payments to Settlement Class Members (plus taxes), which will require Court approval.

If you are a Settlement Class Member, you are automatically included in the Settlement Class and will be bound by the Partial Settlement Agreement if it is approved by BC and Quebec Courts, unless you opt out. If you do not want to be part of the National Class Action you must complete and sign an **Opt Out Form**, which is located on the Administrator’s website at: <website>, no later than 5:00 p.m. (Vancouver time) on [60 days after the date on which this Notice was first published]. You may submit your Opt-Out form via pre-paid mail, courier, fax or email to the Administrator (<contact information>).

For members of the Settlement Class who wish to object to the approval of the Partial Settlement, you must deliver a letter or written objection by pre-paid mail or email to the Administrator no later than 5:00 pm (Vancouver time) on **March 17, 2025**. Details on what needs to be included in your objection letter can be found on the Administrator’s website at: <website>.

More information on the Partial Settlement Agreement (including the opt-out form, and Partial Settlement Agreement) is located on Class Counsel’s respective websites located at:<websites>.

Why did I get this Notice?

This notice is about a proposed partial settlement (“**Partial Settlement**”) of the Economic Loss Claims in the Canada-wide class actions called *Morel v. Koninklijke Philips N.V. et al* Action No. S216008 and *Roy v. Respiromics Inc. et al.*, No. 500-06-001154-216 (together, the “**National Class Action**”). Other similar class actions have been commenced in Canada, but are currently stayed:

- (a) *Gray v. Philips Electronics Ltd. et al.*, Ontario Court File No. CV-21-00665742-00CP;
- (b) *Kehoe v Koninklijke Philips N.V. et al.*, Newfoundland and Labrador Court File No. 2021-01G-4594 CP;
- (c) *Moore v. Koninklijke Philips N.V. et al.*, Nova Scotia Court File No. 507852; and
- (d) *Nathanson v. Koninklijke Philips N.V. et al.*, British Columbia Supreme Court File No. S219249 (Vancouver Registry).

Persons to be included in the National Class Action, include any individual, corporation, hospital, or partnership in Canada who purchased and/or used one of the Products, including family members and estates who purchased a Product on behalf of a class member, and who claim to have incurred an Economic Loss (the “**Settlement Class**”).

An Economic Loss includes the costs of replacing the Products, loss of value of the Products, loss of use, loss of income, any inconvenience associated with participating in the recall of the Products (first announced on June 14, 2021) and/or obtaining a replacement device, as well as any other out-of-pocket expenses and damages.

This is a Partial Settlement because the parties only settled the Economic Loss Claims. For the Partial Settlement to become effective, approval by the BC and Quebec Courts is necessary.

The Partial Settlement **does not** cover any personal injury claims alleged to have been suffered by Class Members as a result of using the Products. Those claims continue in the National Class Action (explained further below).

What is this lawsuit about?

The representative plaintiffs allege various claims in respect of certain Philips Respironics CPAP, BiPAP and Ventilator devices, including economic loss claims and personal injury claims.

What are the terms of the settlement?

The Defendants have agreed to pay \$20,000,000 CDN to achieve a final and nationwide resolution of all Economic Loss Claims that could have been raised in the National Class Action, including for notice, legal, and administration costs, in exchange for the release of all Economic Loss Claims in the National Class Action.

If the Courts approve the Partial Settlement, under the distribution plan proposed by the representative plaintiff, you may be eligible to receive:

1. **\$125.00** for each Product you purchased during the Class Period; and/or
2. **30% to 90%** of the “Comparable Device Cost” (defined below) if you purchased (a) new device to replace (a) Product(s) you purchased during the Class Period and if you have receipts for those purchase(s). In particular, you will be paid the following:

- a. For Class Members whose Product was purchased less than 3 years before the Recall date, 90% of the Comparable Device Cost, after all Third-Party Contributions;
- b. For Class Members whose Product was purchased more than 3 years and less than 5 years before the Recall date, 70% of the Comparable Device Cost, after deduction of all Third-Party Contributions;
- c. For Class Members whose Product was purchased more than 5 years before the Recall date, 30% of the Comparable Device Cost, after deduction of all Third-Party Contributions;

“Comparable Device Cost” means:

- For the replacement of a Product that was a CPAP Device: \$1,200;
- For the replacement of a Product that was a BiPAP Device: \$2,500; and
- For the replacement of a Product that was a Ventilator: \$11,835.

The Partial Settlement does not address personal injury claims. The Defendants continue to dispute the merits of those claims.

The Partial Settlement is not an admission of liability or wrongdoing or fault by any of the Defendants. The Defendants have had no role in the determination of Settlement Class Members’ eligibility to participate in the Partial Settlement or the allocation of benefits available to Settlement Class Members. If you have any questions about the distribution of settlement funds to Settlement Class Members, you should contact Class Counsel at the contact information noted below.

How do I participate?

If you are a Settlement Class Member and you want to participate in the Partial Settlement, **you do not need to do anything at this time.**

If you are a Quebec resident and have commenced an action regarding the Product(s), and you do not discontinue your action by [Opt Out date], you will be deemed to have opted-out of the Settlement Class and will not be able to participate in the Partial Settlement.

If the BC and Quebec Courts approve the settlement, further notice will be published on [Class Counsel’s website] regarding how to apply for compensation.

What if I do NOT want to participate in the settlement?

If the BC and Quebec Courts approve the Partial Settlement, it will be binding on all Settlement Class Members except for any Settlement Class Members who exclude themselves by Opting Out.

To Opt Out, you must complete and sign an Opt Out form, which is located on the Administrator’s website at: <website>, no later than 5:00 p.m. (Vancouver time) on [60 days after the date on which this Notice was first published].

You may submit your Opt-Out form via pre-paid mail, courier, fax or email to the Administrator (<[contact information](#)>).

What are the legal fee arrangements?

Class Counsel will seek Court approval of:

- a legal fee of 30% of the settlement amount payable to the Settlement Class Members, plus applicable taxes (to a maximum amount of \$5,553,336.60 plus taxes);
- disbursements (expenses) incurred by Class Counsel to advance the National Class Action and administration expenses incurred by the Administrator to administer the settlement, plus applicable taxes; and
- an honorarium of \$5,000 to the BC Representative Plaintiff for the work and time undertaken by him in the Class Action.

Class Counsel fees, disbursements and any payments to the BC Representative Plaintiff are also subject to Court approval.

What if I want to object to the settlement or legal fees?

All Settlement Class Members have the right to object to the approval of the proposed Partial Settlement.

To make an objection, you must deliver a letter or written objection by pre-paid mail or email to the Administrator no later than 5:00 pm (Vancouver time) on [REDACTED]

***PLEASE READ THIS NOTICE CAREFULLY AS YOUR LEGAL RIGHTS MAY BE
AFFECTED***

WHY DID I GET THIS NOTICE AND DOES IT IMPACT ME?

This notice is to advise you that there has been a “partial” settlement (“**Partial Settlement**”) of the economic loss claims in the Canada-wide class actions called *Morel v. Koninklijke Philips N.V. et al* Action No. S216008 and *Roy v. Respironics Inc. et al.*, No. 500-06-001154-216 (together, the “**National Class Action**”). Other similar class actions have been commenced in Canada, but are currently stayed:

- (a) *Gray v. Philips Electronics Ltd. et al.*, Ontario Court File No. CV-21-00665742-00CP;
- (b) *Kehoe v Koninklijke Philips N.V. et al.*, Newfoundland and Labrador Court File No. 2021-01G-4594 CP;
- (c) *Moore v. Koninklijke Philips N.V. et al.*, Nova Scotia Court File No. 507852; and
- (d) *Nathanson v. Koninklijke Philips N.V. et al.*, British Columbia Supreme Court File No. S219249 (Vancouver Registry).

Proposed class members of these class actions are included in the proposed Partial Settlement Class of the National Class Action, which includes any individual, corporation, hospital, or partnership in Canada who purchased and/or used one of the Products, including family members and estates who purchased a Product on behalf of a class member, and who claim to have incurred an Economic Loss (the “**Settlement Class**”).

This is a Partial Settlement because the parties only settled the Economic Loss Claims.

The Partial Settlement **does not** cover any personal injury claims suffered by Settlement Class Members as a result of using the Products. Those claims continue in the National Class Action and the Defendants continue to dispute the merits of those claims.

SETTLEMENT AMOUNT

Settlement Funds of **\$20,000,000** (before legal fees, claims administration costs and disbursements are deducted) are available to pay all Settlement Class Members who apply for compensation.

WHO CAN APPLY FOR COMPENSATION?

4. **30% to 90%** of the “Comparable Device Cost” (defined below) if you purchased (a) new device to replace (a) Product(s) you purchased during the Class Period and if you have receipts for those purchase(s). In particular, you will be paid the following:
